

Greetings! Since you are such an important part of Maine communities we wanted to tell you about our Old Home Week.

Orrington. The first town in Penobscot County and the first town in our hearts. Let us celebrate Orrington's and Maine's rich past, vibrant present and bright future with former residents, friends, and neighbors. Let us also celebrate all we have to offer with the rest of the state... including the exciting economic growth potential, waterfront access, our wonderful villages, and friendly, caring people!

Old Home Week requires the help from our many friends, neighbors, and area businesses. Without community support, this event could not happen. And that support does not go unrecognized. Participating sponsors will be recognized in some or all the marketing campaigns. This is a wonderful opportunity for your company to receive positive exposure and help promote the Town of Orrington. Sponsorship levels can be direct donations or in-kind value of products or services. The sooner you sponsor, the more promoting opportunities there are!

Old Home Week events have attracted hundreds to thousands of people to our town, where our retail establishments register a huge uptick in business during Old Home Week. Many non-profits also benefit from the generosity of our visitors to carry on their missions. The Endless Yard Sale map, with over 100-yard sales listed, has been downloaded over 11,000 times in the past years with an additional 2,000 printed! The weekend sale generates over \$150,000+ for our local economy and keeps waste out of the landfills! It is the Ultimate Recycling Event.

Festivities begin Friday, July 12 and conclude on Sunday, July 21.

We would greatly appreciate any donation you can make! If you have any questions or need further information, please contact Kelly Brooks at the Orrington Public Library 207-825-4938 or email: orringtonoldhomeweek@gmail.com

On behalf of the Old Home Week Committee, thank you for your time and consideration!
